Well maintained home with new roof. This house has lots of light and a large glass sliding door offering views of the Marina and Ocean. Spacious living/dining room and semi-open concept kitchen with a bar dividing the kitchen from the living room. Three spacious bedrooms and three bathrooms in the main house and separate bedroom and large store room on the lower floor. This residence has a large fully fenced yard with parking for 3 - 4 vehicles. This residence is truly a gem. Available immediately
